We’ll then do our best to place you in a team either looking for players, or we’ll create a team of other individuals. You can select one or more sports to maximise your chances of playing. If we aren’t able to find you a team, we’ll refund your money. It’s that easy!

By submitting this entry form as team contact, you sign on behalf of your team and agree to participate and abide by all rules and regulations of the competition and to participate responsibly.

If an individual is unable to be placed in a team during the season, your money will be refunded.

Games are organised by Melbourne University Sport and held between 12.00pm and 2.00pm.

All weekly results and notices are communicated via email and placed on the campus sport website at sport.unimelb.edu.au/CampusSport.
